E.L.K. ENERGY INC.

Application for a Service Area Amendment

BY DELEGATION, BEFORE: Brian Hewson
Vice President
Consumer Protection & Industry Performance

July 20, 2017

ORDER

E.L.K. Energy Inc. (ELK) filed an application on June 16, 2017 under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) for a licence amendment to amend Schedule 1 of its electricity distribution licence ED-2003-0015. Schedule 1 of the licence sets out the service area within which ELK is authorized to provide electricity distribution services.

The application is considered without holding a hearing pursuant to section 6(4) of the OEB Act.

The service area amendment is required to include the lands located in the Town of Kingsville, Essex County. The lands are consisting of 38 existing properties (15 residential and 23 microFit) and two new properties. The lands are currently located within the licensed service area of Hydro One Networks Inc. (Hydro One).

The applicant stated that ELK is already an electrical service provider to 38 existing properties. Some properties have been connected to ELK's distribution system by one of its predecessor companies Cottam Hydro prior to the incorporation of the applicant in the year 2000. The other properties have been connected to ELK's distribution system in accordance with the pre-existing development agreements between the municipality and Cottam Hydro, ELK's predecessor. However, ELK's licence has not been amended to include these lands at that time.

With respect to two new properties, the owners requested ELK to be their service provider. Hydro One did not oppose these requests. A letter from Hydro One filed with the application indicates that Hydro One supports ELK's application for the proposed service area amendment.

No assets will be stranded as a result of the proposed amendment. No negative impact on rates, reliability or service quality of ELK or Hydro One has been identified as a result of the proposed amendment.

The OEB finds that it is in the public interest to amend Schedule 1 of ELK's distribution licence to include the lands described in Appendix 1 to this Order. Hydro One's licence is not required to be amended given the manner in which Schedule 1 of Hydro One's licence is presented.

IT IS ORDERED THAT:

E.L.K. Energy Inc.'s electricity distribution licence ED-2003-0015, specifically Schedule 1 of the licence, is amended. The amended licence is attached to this Order.
