Dear Mr. Vellone:

**Re: InnPower Corporation (InnPower)
Application for Rates
Ontario Energy Board File Number: EB-2016-0085**

The OEB is in receipt of InnPower's revised request for an extension to the filing of its interrogatory responses, which were due to be filed June 23, 2017.

InnPower has asked for repeated extensions to the deadline for filing of interrogatory responses. The OEB will not schedule a new deadline for the filing of interrogatory responses or other procedural matters. The OEB will not proceed with InnPower's application until InnPower has filed complete interrogatory responses with the OEB and other parties.

The OEB had reserved tentative hearing dates in August 2017 based on the scheduled deadline for filing the interrogatory responses. However, due to the delay in filing of interrogatory responses, the contemplated hearing dates are no longer feasible. When InnPower has filed complete interrogatory responses, the OEB will schedule further procedural steps based on the OEB's calendar and availability.

Yours truly,
