

pg. 1.

JULY 13, 2017

OEB FILE NO. EB-2017-0049

TO ENERGY BOARD RE: HYDRO RATE INCREASES.

1. NO SENIOR GETS \$33.48 PER YEAR INCREASE IN THEIR PENSIONS! OVER THE 5 YEAR PERIOD

THE INCREASE AMOUNT WOULD BE \$141.80

HOW CAN SENIORS EARNING LESS THAN \$20,000 PAY THIS?

2. HOW CAN THE CEO'S BE PAID SO MUCH

MONEY 4.2. MILLION PER YEAR FOR

MR. SCHMITZ, OF OLT HYDRO? HOW MANY

TIMES MORE THAN THE AVERAGE WORKING

PERSON? TORONTO STAR SAYS 10 TIMES

MORE?

3. THE SELLING OFF OF ONTARIO HYDRO TO PRIVATE INTERESTS WAS THE MISTAKE OF THE CENTURY. THE LARGEST TRANSFER

→

OF WEALTH OF THE ONTARIO CITIZENS TO  
THE WELL HEeled BANKSTERS OF ONTARIO.

4. HOW DID THE CONSERVATIVE GOVERNMENT OF  
MIKE HARRIS GET THE APPROVAL OF ONTARIO  
CITIZENS TO SELL OF ONE OF ONTARIO'S  
LARGEST ASSETS; WITHOUT A REFERENDUM?

ALSO HOW DOES OUR PRESENT LIBERAL  
GOVERNMENT HAVE THE POWER TO SELL  
OFF MORE?

WAS NOT THE OEB SET UP TO MONITOR

PRICE INCREASES? THE OEB WAS TO BE SURE  
OUR POWER WOULD BE AFFORDABLE?

Thank You for allowing me to  
participate. Marion Grisdale
