Who pays your salary? Do you seriously expect us to believe that we will be heard, once you end this 'information' session?
Do we get a corresponding decrease as Hydro 1 gets its increase? They have been overcharging us for years: now that we are (supposedly) getting a break, why are they in such a hurry to reduce it by a thousand cuts? Coincidence? Riiiiight. Define 'average customer' - I don't know any myself.
Has Hydro 1 considered SALARY CUTS TO SENIOR MANAGEMENT instead of milking the usual cow-us? Reductions in the future = pie in the sky.

Additional comments...

Apparently Mr Fedeli has forgotten that his immediate predecessor, Mike Harris got us into this mess with his passion for privatization! How about Conservative ideology - "private Good! Public Bad! Citizens, -who cares?" His friends seem to have LOTS of money! The OEB already answered Fedeli's most recent question - he does not listen well.
