I strongly object to the monthly raise in hydro bills requested by Hydro One. Premier Wynne said we would get hydro rate relief and then lets Hydro One immediately put up our rates more each month and year. This presents s great financial burden on al citizens, but especially on retired and fixed income people. Premier Wynne seems to tell people what she thinks they want to hear and the turns her back on the problem, having solved nothing. It's her doing we are in the hydro escalation mess to begin with, but never does anything but turn her back on the problem and her constiuents. I will never vote for her again! ENOUGH!
