

EB-2017-0215

Natural Resource Gas Limited

**Application for approval to correct reference prices used in
the Purchased Gas Transportation Variance Account
for fiscal years 2011 to 2015**

**PROCEDURAL ORDER NO. 2
August 8, 2017**

Natural Resource Gas Limited (Natural Resource Gas) filed an application with the Ontario Energy Board (OEB) on June 2, 2017, seeking approval to correct the reference prices used in Natural Resource Gas' Purchased Gas Transportation Variance Account (PGTVA) as approved by the OEB in EB-2010-0018¹. Natural Resource Gas has noted that it has not requested disposition of the PGTVA balances for fiscal years 2011 to 2015 in this application and therefore there is no rate impact on NRG's ratepayers as a result of the requested correction.

The OEB issued Procedural Order No. 1 on July 13, 2017, scheduling a written hearing to review the Application. The OEB scheduled one round of interrogatories followed by final arguments.

OEB staff filed interrogatories on July 19, 2017. NRG provided responses on July 27, 2017. As some of the interrogatories require clarification or more detailed responses, the OEB has provided for supplemental interrogatories and revised the schedule for filing final arguments.

¹ OEB approved Rate Order, EB-2010-0018, dated November 17, 2011

IT IS THEREFORE ORDERED THAT:

1. OEB staff shall file supplemental interrogatories with respect to the responses filed by Natural Resource Gas by **August 11, 2017**.
2. Natural Resource Gas shall file with the OEB complete responses to the interrogatories and deliver them to Union Gas by **August 17, 2017**.
3. Unless the OEB orders otherwise, any written submission by OEB staff and Union Gas shall be filed with the OEB and delivered to all other parties by **August 28, 2017**.
4. Unless the OEB orders otherwise, Natural Resource Gas may file a written reply submission with the OEB, and deliver it to Union Gas by **September 1, 2017**.

All filings to the OEB must quote the file number, EB-2017-0215 and be made electronically in searchable / unrestricted PDF format through the OEB's web portal at <https://www.pes.ontarioenergyboard.ca/eservice/>. Two paper copies must also be filed. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties must use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at <https://www.oeb.ca/industry>. If the web portal is not available parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies.
