We are requesting an extension of time from June 14, 2017. We received notice of this application from Hydro One on June 5, 2017 at 8 a.m.. The email containing the notice was sent Sunday, June 4th at 9:44 p.m. This is an insufficient timeframe to review all documentation and form a presentation. When we searched the Ontario Energy Board website as per the directions given in the notice received, we found this has been ongoing since February of 2017.

Yours truly
Richard Peever
