4. The coalition of the FMTA and OCSCO under the name VECC has the specific mandate of Intervening in proceedings to advocate on behalf of the interests of Ontario's vulnerable consumers with respect to energy issues, primarily through intervention in regulatory proceedings at the Ontario Energy Board.
5. Although the organization is not itself a member of VECC, the Public Interest Advocacy Centre (PIAC) in Ottawa assists in the representation of the interests of vulnerable consumers by ensuring the availability of competent representation and consultant support to the VECC participation.
6. VECC is a frequent intervenor in Board proceedings. Our annual information filing can be found on the Board's website at:

#### **GROUND FOR THE INTERVENTION**

9. Centre Wellington Hydro Ltd. (CWH) an increase in residential rates of between 3-7.5% (depending on annual consumptions). The Applicant seeks a 20% increase in its operating expenses as compared to the last Board approved amount in 2013. Total rate base is also forecast to increase by over 46% in 2017 as compared to the last Board approved and notwithstanding a significant decrease in working capital allowance due to the Board's revised policy.

#### **INTERESTS OF THE INTEVENOR**

10. VECC is intervening in order to ensure that consumer interests and in particular the interests of the low-income and vulnerable users of natural gas are fully represented in the determination of just and reasonable rates.

#### **INTENTION TO SEEK COST AWARDS**

11. VECC will be requesting an award of costs for its participation in this proceeding and believes that, as a coalition representing the direct interests of consumers, it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its' Practice Direction on Cost Awards (Section 3.03).
12. VECC's members do not have access to the direct funding required to retain appropriate legal and consulting support for its intervention in OEB proceedings. Accordingly VECC relies on PIAC to provide legal support and retain qualified consultants on the basis that PIAC can recover the related fees and disbursements from the Board based on the Board's Practice Direction on Cost Awards at the prevailing Cost Award Tariff.
