**Re: EB-2016-0152, Ontario Power Generation Inc. (OPG) – Cost Award Documents of Ontario Association of Physical Plant Administrators (OAPPA)**

---

Dear Ms. Walli:

As per the Board's Procedural Order No. 9 dated July 11, 2017, please find attached two copies of the supporting documents for Ontario Association of Physical Plant Administrators' (OAPPA)'s cost award request for its participating in the above noted hearing.

The cost award documents contain the following:

- Affidavit and Summary of Fees and Disbursements,
- Detail of Fees and Disbursements Being Claimed,
- E2 Energy Inc. invoice dated August 13<sup>th</sup>, 2017, and
- Photocopies of expenses.

The majority of the time dedicated to this Case was by E2's most senior staff, owing to commitments and personal schedule conflicts of other staff, including bereavement considerations. However, wherever possible, the rate and allocation of these hours has been deferred to the least costly personnel otherwise capable of having performed such functions.

Please contact the undersigned if the Board requires any further information in connection with this request.

Respectfully submitted, yours truly

Scott Walker, P.Eng., MBA  
President and CEO

cc. Regulatory Affairs, OPG (electronically only)

However, in fairness to the Client and respecting cost prudence principals, such hours and costs are being re-assigned to the lowest rate personnel category otherwise capable of having performed such tasks.
