Dear Ms. Walli,

**Re: OEB File No. EB-2017-0091  
Union Gas Limited – 2016 Disposition of Deferral Account Balances and  
2016 Utility Earnings  
Settlement Proposal of August 1, 2017**

Due to scheduling conflicts, the Vulnerable Energy Consumers Coalition (VECC) was unable to participate in the Union Gas EB-2017-0091 Settlement Conference. We have had the opportunity to review the resulting Agreement of the parties. Since VECC was not a party to the discussions, it would be difficult for VECC to now include itself as a party to that Agreement. Therefore, VECC takes no position on the issues. That said, there are no outstanding matters in this proceeding which VECC believes merit further consideration of the Board.

Yours truly,

Alysia Lau  
Barrister & Solicitor | Counsel to VECC
