Dear Ms. Walli:

**Natural Resource Gas Limited (EB-2017-0215)
Correction to PGTVA Reference Price – Supplemental Interrogatory Responses**

Attached are NRG's responses to the supplemental interrogatories from Board Staff.

As the Board is aware, NRG was recently granted leave to sell its natural gas distribution system to EPCOR Natural Gas Limited Partnership ("EPCOR") (EB-2016-0351, dated August 3, 2017), and to transfer a number of current Board Orders that EPCOR will require to lawfully operate the gas distribution business post-closing. **In addition to the relief requested in this application (i.e., change to the PGTVA reference price as of October 1, 2015), we are by way of this letter requesting that the Board approve the transfer of the resulting Order in this proceeding to EPCOR Natural Gas Limited Partnership.**

Should you have any questions, please contact me directly.

Yours very truly,

Richard J. King
