Decision and Order

2265279 Ontario Inc., doing business as AW Marketing filed an agent only gas marketer licence application under section 50 of the *Ontario Energy Board Act, 1998* (OEB Act) and an agent only electricity retailer licence application under section 60 of the OEB Act on March 23, 2017. The Ontario Energy Board (OEB) combined the applications into one proceeding, pursuant to section 21(5) of the OEB Act.

The OEB issued a combined Notice of Applications and Written Hearing (Notice) on April 10, 2017. The Notice provided time for submissions on the applications, as well as responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the OEB Act.

After considering the evidence, the OEB finds it to be in the public interest to issue an agent only gas marketer licence and an agent only electricity retailer licence to 2265279 Ontario Inc., doing business as AW Marketing.

IT IS ORDERED THAT:

1. The application for an agent only gas marketer licence is granted, on such conditions as are contained in the attached licence.
2. The application for an agent only electricity retailer licence is granted, on such conditions as are contained in the attached licence.
