Dear Mr. Nolan:

**Re: Approved Prices and Structures for Electricity Pricing Pilots
Board File No.: EB-2016-0201**

Your utility has had an electricity price pilot approved by the Ontario Energy Board (OEB) further to the OEB's November 16, 2015 [Regulated Price Plan Roadmap](#) and [July 18, 2016 Guidelines for Pilot Projects on RPP Pricing](#).

This letter is to advise you that the OEB has approved the structure and electricity rates for six pilot price plans, some of which are applicable to the price pilots that the OEB has approved for your utilities. The approved structures and rates are available on the OEB's website at <https://www.oeb.ca/sites/default/files/RPP-Pilot-Prices-20170824.pdf>, and are to be used in your respective approved price pilots as applicable.

Sincerely,
