ATTENTION: ESSAM SOMREEN

In answer to your question regarding my expense submission. The copies from the City of Orillia amounted to 231 pages (x 0.30 per sheet = \$69.30) of the 351-page hearing document.

On the invoice dated August 4th, 2017, from Express Business Service Centres, Mr. Kehoe has discarded the original invoices. However, I sent them on his behalf as an agent for Purolator from my office and looked up the charges on the Purolator website to confirm the cost of each courier shipment sent.

Yours truly,

Frank Kehoe
