Please give us a break on our hydro bills.....you have no idea on how to run a province or care how much a burden you have placed on the citizens of Ontario. The senior population is reeling from ridiculous hydro increases and costs. To add to the idiotic situation, we pay thousand of dollars to a couple of American states to take our power overages, but soak the Ontario citizens, just how ridiculous is that!! You will be history on the next election, I myself will out canvasses for you & your party to be swept out of power and liberal numbers decimated. Stan & Carol Hall
