This Hydro system is not working!

To continually pass on rate increase after rate increase to the public ,corporations and businesses is unacceptable. As a tax payer you are pushing the envelope. I have run and owned several businesses and cannot believe how badly managed this company is.

Easy to solve, & hard to implement, mass lay offs - top end first. Then buy from Hydro Quebec. (not a joke) At the least give the public an option.

A very upset and dissatisfied customer / consumer.
