NEW ONTARIO ELECTRICITY SUPPORT PROGRAM

The Ontario Electricity Support Program helps reduce electricity bills for low-income households with a monthly on-bill credit.

The amount of the credit will depend on how many people live in your house and your combined household income. Find out if you are eligible and how to apply.

THERE'S HELP FOR LOW-INCOME HOUSEHOLDS

New Ontario Electricity Support Program

Welcome to St. Thomas Energy

St. Thomas Energy Inc. is the licensed energy distributor for St. Thomas, Ontario. Regulated by the [Ontario Energy Board](#), we are owned by the [Ascent Group of Companies](#), which is

wholly owned by the [City of St. Thomas](#). St. Thomas Energy Inc. is committed to providing safe, reliable electricity and excellent service to our customers. In keeping with that commitment, we have been registered with the ISO 9001 Quality Management System since 1999 and in 2012 we became certified under the internationally recognized Occupational Health and Safety Assessment System

(OHSAS) 18001.

We are proud of the following two achievements:

- St. Thomas Energy Inc. through a third party survey was found to be ranked higher than the 2017 Provincial and National averages in customer satisfaction.
- St. Thomas Energy Inc. has over 20 years and 1.2 million hours of work without a lost time injury.
