- 5 Reference: Exhibit A/Tab 1/Schedule 1/Page 4&5 & Exhibit B, Tab 1, Schedule 1, Page 1 of 11
- 6 a) Please provide the calculation/derivation of :
- 7 i. the \$10,000 registration fee;
- 8 ii. the \$1,000 application fee; and
- 9 iii. the FIT application fee (500-5,000).
- 10 b) Have the amount for these fees changed since 2015?

11 <u>RESPONSE</u>

- 12 a) The proposed IESO application and registration fees have not changed from the amounts
- 13 approved previously by the OEB. These fees are consistent with practices in many other
- 14 jurisdictions: they help ensure that IESO resources are focused on participants who are
- 15 committed to the respective process to which they are applying and they offset the
- 16 administrative costs associated with implementing these processes.
- 17 b) No, these fees have not changed since 2015.
