**Re: Independent Electricity System Operator
2017 Revenue Requirement, Expenditure and Fees Submission
Ontario Energy Board File No.: EB-2017-0150**

On behalf of our client, the Independent Electricity System Operator ("IESO"), we are writing to file responses to interrogatories ("IRRs") in accordance with Procedural Order No. 2 issued in this proceeding on July 17, 2017. The IRRs have been filed by issues as set out in the Final Issues List approved in the Board's Decision on Issues List dated August 4, 2017.

We note that a number of interrogatories have raised questions which, in the IESO's view, are beyond the scope of this proceeding. The IESO has, in some instances, provided responses to such interrogatories in an effort to be of assistance to the parties. The fact that the IESO has provided answers to these interrogatories should not be taken as any indication that the IESO considers these areas of enquiry to be appropriate for the revenue requirement proceeding.

Also included is an updated exhibit list that includes the IRRs. The updated exhibit list and the chart below help to illustrate how the IRRs have been organized. The Tab number of each interrogatory response refers to the issue, while the Schedule numbers have been assigned to OEB Staff and intervenors, with corresponding interrogatory numbers, as follows:

Schedules assigned to OEB Staff/Intervenors and interrogatory numbers	
1.01-1.16	OEB Staff 1-16
2.01-2.45	BOMA 1-45
3.01-3.09	CME 1-9
4.01-4.21	Environmental Defence 1-21
5.01-5.29	Energy Probe 1-29
6.01-6.05	PWU 1-5
7.01-7.21	SEC 1-21

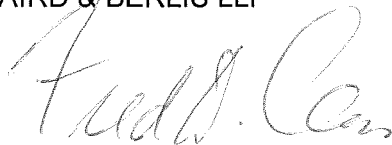

8.01-8.04	Society 1-4
9.01-9.28	VECC 1-28
10.01-10.29	AMPCO 1-29

For example, BOMA Interrogatory 45 relates to issue 1.6 and the exhibit number for the response to this interrogatory is Exhibit I, Tab 1.6, Schedule 2.45 BOMA 45.

We have used the Board's RESS to file these documents and we are providing the Board with two paper copies by courier.

Yours truly,

AIRD & BERLIS LLP
