Dear Mr. Dyer:

Re: Application for Electricity Generator Licence (Owner Only)
Board File Number EB-2017-0283

The Ontario Energy Board (OEB) has reviewed your application for an electricity generation licence (owner only). Your application is currently incomplete and cannot be processed until the following has been filed:

1. Section 8 – Intended Services and Markets:
Your response to question 8(b) is inconsistent with the response provided for that section in EB-2017-0282. Please clearly explain the intended services and advise if the generated electricity will be used solely for load displacement purposes or the intention is to sell electricity to another person or entity (e.g. Toronto Community Housing Corporation).
2. Section 15 and 16 - Legal and Regulatory Proceeding:
Please provide your response to all questions in this section. You may explain your rationale as to why unanswered questions should be waived.

The OEB will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the OEB may close the file for this application.

Upon receipt of the required information the OEB will issue an application information letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@oeb.ca.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at (416) 440-8138 or e-mail, Irina.Kuznetsova@oeb.ca.

Yours truly,
