I want you to deny Kathleen Wynne's Govt permission to allow Hydro's proposed rate additions and to stop deviously trying to hide the fact that her fair Hydro is NOT FAIR. I am sick of being gouged by Hydro and Kathleen Wynne. I am a pensioner and want to be able to live within my means. Approving this proposal by the Gov't and Hydro is just simply insulting to think that it is not a hidden ploy to increase Hydro costs not decrease them as Ms. Wynne has said. Please do not approve.
