Dear Ms Sebalj:

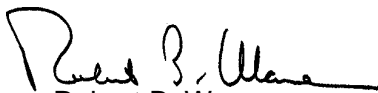

Re: EB-2017-0049/Hydro One Networks Inc. ("HONI")/Draft Issues List

We are counsel to the City of Hamilton. What follows is our client's submission on the OEB's Staff Draft Issues List, dated September 8, 2017.

Our client submits that the word "overall" should be deleted from draft issue No. 4. The meaning of the word "overall" in that issue is unclear, and potentially distorts the meaning of the issue by implying that some form of averaging may be taking place. Our client submits that the issue should simply be whether the rate and bill impacts in each customer class over the 2018-2022 period are reasonable.

Yours truly,

WeirFoulds LLP
