Dear 

**RE: InnPower Corporation  
2017 Rate Application (EB-2016-0085)  
Specific Service Charges – microFIT Service Charge**

In June of 2016, InnPower Corporation ("InnPower") filed an application, as re-filed on November 28, 2016, with the Ontario Energy Board (the "Board") for an order approving distribution rates effective January 1, 2017, January 1, 2018, January 1, 2019, January 1, 2020 and January 1, 2021, including approval of a new microFIT rate (the "Application").

Attached is a copy of the Notice of Application as Appendix A.

As part of the original Application, InnPower requested a change in the monthly service charge for the microFIT rate class from \$5.40 to \$10.00 monthly, as outlined at page 7 of Exhibit 8 to the Application, filed on November 28, 2016 and available at: <https://www.innpower.ca/service.php?id=50>

On August 4, 2017, InnPower advised the Board that it wishes to withdraw its original request to change the microFIT rate. No parties to this proceeding have contested this request.

The Board has issued three procedural orders in this proceeding, attached hereto as Appendix B.

As noted in Procedural Order No. 3, if you wish to intervene in this proceeding, you may apply to the Board by September 29, 2017.

An oral hearing will be held on October 3, 2017, at 9:30am in the Board's hearing room at 2300 Yonge Street, 25th floor and continue on October 4, 2017, and October 5, 2017, if necessary.

Yours very truly,

Dear

**RE: InnPower Corporation  
2017 Rate Application (EB-2016-0085)  
Specific Service Charges – Pole Attachment Rate**

In June of 2016, InnPower Corporation ("InnPower") filed an application, as re-filed on November 28, 2016, with the Ontario Energy Board (the "Board") for an order approving distribution rates effective January 1, 2017, January 1, 2018, January 1, 2019, January 1, 2020 and January 1, 2021, including approval of an interim pole attachment rate (the "Application").

Attached is a copy of the Notice of Application as Appendix A.

As part of the original Application, InnPower requested an interim change in the charge for access to power poles from \$22.35 to \$47.50, as outlined at page 15 of Exhibit 8 to the Application, filed on November 28, 2016 and available at: <https://www.innpower.ca/service.php?id=50>

On August 4, 2017, InnPower advised the Board that it wishes to withdraw its request to change its pole attachment charge.

However, certain ratepayer groups, including the School Energy Coalition, are arguing that the pole attachment evidence filed by InnPower continues to be relevant and that the pole attachment rate should be increased, as outlined in the letter attached hereto as Appendix B.

The Board has issued three procedural orders in this proceeding, attached hereto as Appendix C.

As noted in Procedural Order No. 3, if you wish to intervene in this proceeding, you may apply to the Board by September 29, 2017.

An oral hearing will be held on October 3, 2017, at 9:30am in the Board's hearing room at 2300 Yonge Street, 25th floor and continue on October 4, 2017, and October 5, 2017, if necessary.

Yours very truly,
