Dear Ms. Walli:

EB-2016-0337 -Load Transfer Elimination Application – A Service Area Amendment & Asset Sale Application Between Hydro One Networks Inc. and Entegrus Powerlines Inc.

Further to the Ontario Energy Board (“OEB”) Decision and Order in the above-mentioned proceeding, dated February 16, 2017, Hydro One Networks Inc. (“Hydro One”) and Entegrus Powerlines Inc. (“Entegrus”) are jointly writing to inform the Board that one additional customer has been transferred to Entegrus as a result of this elimination. The customer is located at 11 Lee Avenue, Tilbury, Ontario and is now being serviced by Entegrus. No additional assets were transferred as a result of this customer change. Due to the aforementioned, Hydro One and Entegrus jointly request that Entegrus’ distribution licence be amended to reflect this final change.

Should you have any questions on this application, please contact Pasquale Catalano at (416) 345-5405 or via email at Pasquale.Catalano@HydroOne.com.

Sincerely,

Joanne Richardson
