Dear Ms. Walli:

Re: EB-2016-0276 - Application for approval to purchase Orillia Power Distribution Corporation - Notice of Motion to Review (August 14, 2017)

It has been more than five weeks since Hydro One Networks Inc. (“Hydro One”) filed a Notice of Motion on August 14th to request the Board to review and vary P.O. No. 6 issued in this proceeding on July 27th. The City of Orillia filed a similar Notice of Motion on August 16th.

Hydro One has not received a response from the Board and understands from the City’s counsel that he has likewise not received a response.

This matter is of considerable concern to Hydro One because of the pending purchase-and-sale transaction and the harm resulting from the delay of the transaction. Hydro One therefore respectfully asks the Board to respond as quickly as possible.

Yours very truly,
