Dear Mr. Vellone:

**Re: InnPower Corporation (InnPower)
Application for 2017 Rates
OEB File Number EB-2016-0085**

On September 20, 2017, the OEB issued its Decision and Procedural Order No. 4 (Decision and Procedural Order) on InnPower's 2017 rate application. InnPower noted that the name of the affiliate referenced in the Decision and Procedural Order was incorrect.

Today, the OEB is re-issuing the Decision and Procedural Order, with this error corrected. The correction can be found on page 4 of the Decision and Procedural Order, a copy of which is attached. The order now reads as follows:

1. Parties that object to confidential treatment of InnServices' financial statements shall make submissions on the request for confidentiality by September 27, 2017.

Pursuant to Rule 41.02 of the *Rules of Practice and Procedure*, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of

calculation or similar error made in its orders or decisions. The OEB considers this to be typographical error. The Decision and Order is not otherwise changed in any way.

Yours truly,
