Dear Ms. Walli

**Re: Nucon Utility Services Corporation
Application for a Unit Sub – Metering Licence**

This letter is to advise that upon receipt of its sub-metering licence, Nucon Utility Services will enter into a loan agreement with Regal Security. Regal will be providing a loan to Nucon. As per Section 9 of the sub-metering application, the financial statements for Regal are attached to Nucon's application which provide proof of availability of funds and access to capital for Regal to provide the loan.

Should you have any questions please do not hesitate to contact me.

Yours truly

Nick Vetere

Application for a Unit Sub-Metering Licence

Application Instructions

1. Purpose of this Form

This form is to be used to apply for a licence that would enable the applicant to engage in unit sub-metering.

2. Completion Instructions

This form is a writeable PDF.

The applicant must either:

- type answers to all questions, print two copies and sign both copies; or
- print a copy of the form, clearly print answers to all questions, make a copy and sign both copies.

Please send both copies of the completed form and two copies of any attachments to:

Board Secretary
Ontario Energy Board
P.O Box 2319
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Any questions regarding the completion of this application should be directed to the OEB at
IndustryRelations@ontarioenergyboard.ca.

Please note that the Board may require information that is additional or supplementary to the information filed in this application form and that filing of the form does not preclude the applicant from filing additional or supplementary information.

The Board's "Performance Standards for Processing Applications" are indicated on the "Corporate Information and Reports" portion of the Board's website at www.ontarioenergyboard.ca. Applicants are encouraged to consider the timelines required to process applications to avoid submitting applications too early or too late. Submitting applications too early without reasonable certainty of carrying out the proposed licensable activities may impede regulatory efficiency while submitting applications too late may result in a delayed commencement of the licensable activities for the applicant. If the submitted application is incomplete, it may be returned to the applicant by the Board or there may be a delay in processing the application.

3. Application and Registration Fees

A non-refundable application fee is required to process your application. Please enclose a cheque or money order made payable to the **ONTARIO ENERGY BOARD**. The amount of the application fee is indicated on the "Apply for a Licence" portion of the Board's website at www.ontarioenergyboard.ca.

If a licence is issued, the licensee will be required to pay an annual registration fee. Annual registration fee information is indicated on the "Apply for a Licence" page of the "Licences" section of the Board's website at www.ontarioenergyboard.ca.

4. Confidentiality

Sections 8 to 12 of this application will be treated as confidential. All other information filed as a part of or in support of this application will be placed on the public record. Where the applicant objects to public disclosure of information contained in sections other than sections 8 to 12, the applicant must follow the procedure set out in the Board's Practice Direction on Confidential Filings.

5. Important Information

The applicant must make a copy of the non-confidential sections of the application available to any person who requests a copy of the application.
