Dear Ms. Walli:

**Re: E.L.K. Energy Inc. ("E.L.K.")
OEB File No.: EB-2016-0066
Settlement Proposal Delay**

We are counsel to E.L.K. in the above captioned matter. Pursuant to Decision and Procedural Order No. 4, the Board ordered that any revised settlement proposal shall be filed with the OEB within 30 days of the issuance of the Decision.

E.L.K. is pleased to report on behalf of the parties to the settlement that we have made considerable progress towards completing a revised settlement proposal. However, the revised proposal is still a work in progress. It has been complicated. All of the parties, including OEB staff, are supportive of an extension to the period set out in Procedural Order No. 4.

The parties are committed to continuing to work diligently towards a revised settlement proposal. On behalf of all of the parties, E.L.K. is requesting an extension to the deadline to filing the revised settlement proposal by two (2) weeks.

Yours very truly,

BORDEN LADNER GERVAIS LLP
