Board Secretary
Ontario Energy Board

Dear Ms. Walli:

**Re: Independent Electricity System Operator
2017 Expenditure and Revenue Requirement Submission
Ontario Energy Board File No. EB-2017-0150**

The Independent Electricity System Operator ("IESO") is writing to notify the Ontario Energy Board ("Board") that it has reached a partial settlement proposal in principle with intervenors, and parties are working towards finalizing this settlement proposal.

The IESO is requesting the filing date for the settlement proposal identified in Procedural Order 2 be extended to Tuesday, October 3, 2017. The IESO believes that the additional time provided by this extension will be sufficient for parties to complete the final settlement proposal.

The IESO appreciates the Board's consideration of this request.

Yours truly,

Tam Wagner
Senior Manager, Regulatory Affairs
