Dear Ms. Walli:

RE: OEB File No. EB-2016-0003 - Proposed Amendments to the Transmission System Code and the Distribution System Code to Facilitate Regional Planning

On September 21, 2017 the Ontario Energy Board gave notice under section 70.2 of the *Ontario Energy Board Act, 1998* of proposed amendments to the Transmission System Code (TSC) and the Distribution System Code (DSC). We note that comments are to be submitted by October 23, 2017.

The proposed amendments are wide-ranging and will have customer-facing impacts. In order to undertake the analysis necessary to fully consider these important issues, we kindly request a minimum of a two week extension within which to provide comments.

Yours truly,
