Dear Ms. Walli:

**Re: EB-2017-0255 – Union Gas Limited – 2018 Cap-and-Trade Compliance Plan – Extension Request**

The Ontario Energy Board (“OEB”) issued a letter to the gas utilities on July 27, 2017 (the “letter”) permitting the gas utilities to file their 2018 Compliance Plans three weeks following issuance of the OEB’s Decision and Order on the gas utilities’ 2017 Compliance Plans. The letter permitted the gas utilities to request a further extension if additional time is required to file their respective 2018 Compliance Plans. The OEB’s Decision and Order on Union Gas Limited’s (“Union”) 2017 Compliance Plan was issued on September 21, 2017. Pursuant to this letter, Union is requesting a further extension prior to filing its 2018 Cap-and-Trade Compliance Plan until November 9, 2017.

Consistent with the OEB’s letter, Union is requesting an extension in order to consider and reflect the OEB’s findings on its 2017 Compliance Plan as well as changes within the Ontario Cap-and-Trade landscape that have occurred since August 2017 appropriately in its 2018 Compliance Plan.

In the event you have any questions on the above or would like to discuss in more detail, please do not hesitate to contact me at 519-436-4558.

Yours truly,
