**Re: Active Energy Inc. – Notice of Intention to Make an Order for Compliance and Payment of an Administrative Penalty  
OEB File Number EB-2017-0022 / EB-2017-0223**

The Ontario Energy Board (OEB) received a letter from Active Energy Inc. (Active) dated October 6, 2017 advising that Active was withdrawing its motion seeking an order compelling the Enforcement Team to provide answers to interrogatories, which was to be heard on October 13, 2017. Accordingly, the October 13, 2017 motion hearing is cancelled.

The parties previously asked to file written opening statements in advance of the oral hearing on the merits, and the OEB confirmed, by letter dated August 15, 2017, that they may do so. Because the hearing has been adjourned to November 9-10, 2017, pursuant to Procedural Order No. 2, revised deadlines for the opening statements are warranted. The parties are directed to serve and file opening statements by October 27, 2017 (Enforcement Team) and November 3, 2017 (Active).

Yours truly,
