**Re: 2018 Cap and Trade Compliance Plans EB-2017-0255**

---

The Ontario Energy Board (OEB) in a letter dated July 27, 2017 stated that the natural gas utilities may file their 2018 Compliance Plans three weeks following the issuance of the OEB's Decision and Order on the 2017 Compliance Plans. In the event a natural gas utility requires additional time prior to filing its 2018 Compliance Plan, it may request a further extension.

In a letter dated October 3, 2017, Union Gas Limited (Union) requested a further extension for filing its 2018 Compliance Plans to November 9, 2017.

The OEB grants Union an extension to file its 2018 Compliance Plans by November 9, 2017.
