

ONTARIO ENERGY BOARD

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15, Schedule B;

AND IN THE MATTER OF an Application by Union Gas Limited, pursuant to section 36(1) of the *Ontario Energy Board Act, 1998*, for an order or orders approving or fixing just and reasonable rates and other charges for the sale, distribution, transmission and storage of gas as of January 1, 2018.

NOTICE OF INTERVENTION

OF THE

SCHOOL ENERGY COALITION

1. The School Energy Coalition (“SEC”) applies for intervenor status in this proceeding.
2. SEC is a frequent intervenor in Board proceedings. Our current Annual Filing can be found on the Board’s website, here:

<http://www.rds.ontarioenergyboard.ca/webdrawer/webdrawer.dll/webdrawer/rec/462191/view/>
3. The School Energy Coalition intends to apply for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

Issues to be Addressed

4. SEC’s intended participation will focus on the following issues:
 - a. The proposed methodology used for setting rates for the period beginning January 1, 2018, and in particular its consistency with the Board-approved methodology for Union, and the results of its application;
 - b. Proposed changes to the Rate M12 Schedule “C” as it applies to the proposed M12-X service, and any effects on other rate classes;
 - c. Inclusion of costs for the Panhandle Reinforcement Project;
 - d. All other components of the Application; and
 - e. Generally to represent the interests of school boards and their students in this process.

The Intervenor's Intended Participation

5. SEC intends to participate in any pre-hearing procedures, including interrogatories or technical conferences, and settlement conferences. SEC also intends to participate in any oral hearing of this matter, and in written or oral submissions, as well as any other parts of the process that the Board should order.

Nature of Hearing Requested

6. Until interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.
