

EB-2017-0087

Union Gas Limited

**Application for natural gas distribution, transmission
and storage rates effective January 1, 2018**

PROCEDURAL ORDER NO. 2

November 7, 2017

Union Gas Limited (Union Gas) filed an application dated September 26, 2017 with the Ontario Energy Board (OEB) pursuant to section 36 of the *Ontario Energy Board Act, 1998* (Act), for an order or orders approving rates for the distribution, transmission and storage of natural gas, effective January 1, 2018.

In July 2013, Union Gas filed an application requesting approval of a multi-year Incentive Ratemaking Framework (the Framework) under File Number EB-2013-0202. The application included a comprehensive settlement agreement between Union Gas and stakeholders. On October 7, 2013, the OEB accepted the settlement agreement as filed. Union Gas' current application for 2018 rates is based on the Framework agreed to in the settlement agreement and approved by the OEB.

The OEB issued a Notice of Application and Hearing on October 16, 2017. The last date for intervention was October 23, 2017. In a procedural order issued on October 27, 2017, the OEB approved a list of intervenors and scheduled a process for reviewing the application.

On November 1, 2017, the Six Nations Natural Gas Company Limited (SNNG) filed a letter requesting late intervenor status. SNNG has indicated that it does not expect to seek cost awards for the proceeding. No objections were received regarding the intervention request of SNNG.

SNNG's request for intervenor status is granted. In granting the intervention request, the OEB requires SNNG to adhere to the case schedule outlined in the OEB's Procedural Order No. 1 dated October 27, 2017. The OEB also requires SNNG to accept the record as it currently stands. A revised list of intervenors in this proceeding is attached as Schedule A to this procedural order.

All filings to the Board must quote the file number, **EB-2017-0087** and be made electronically in searchable/unrestricted PDF format through the OEB's web portal at <https://www.pes.ontarioenergyboard.ca/eservice/>. Two paper copies must also be filed. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties must use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at <http://www.oeb.ca/OEB/Industry>. If the web portal is not available, parties may email their documents to the address below.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.

With respect to distribution lists for all electronic correspondence and materials related to this proceeding, parties must include the Case Manager, Khalil Viraney at Khalil.Viraney@oeb.ca and Board Counsel, Michael Millar at Michael.Millar@oeb.ca.
