Attention: Board Secretary

Dear Sir:

RE: OEB File No.: EB-2017-0025
 Algoma Power Inc. – Application for Electricity Distribution
 Rates effective January 1, 2018

Interrogatories of Algoma Coalition
to Algoma Power Inc.
Our File No. 12524-12

In accordance with Procedural Order No. 1, please accept this document as satisfaction of Algoma Coalition's written interrogatories with respect to the above-noted matter.

Pursuant to the Board's Rules and Regulations, two hard copies of the said Interrogatories will follow under separate cover by Purolator Courier.

Questions

1. We understand that Algoma Power Inc. has new mining connections. Please explain the stream of revenue that will come in from these connections and what effect, if any, this will have on the current rate application.
2. We understand that the Ontario Energy Board has recently appointed API as licensee for the operation of the electricity distribution system in the Town of Dubreuilville. Please explain what effect, if any, this will have on the current rate application.
