Dear Ms. Susan Reffle:

**Re: Whitby Hydro Electric Corporation (Whitby Hydro)  
Application for Rates  
OEB File Number EB-2017-0085 & EB-2017-0292**

The OEB is in receipt of Whitby Hydro's November 16, 2017 request for an extension of time by which it must file interrogatory responses in this proceeding.

The OEB will grant an extension, as requested. In the result, certain dates set out in Procedural Order. 1 shall be amended, as follows:

- Interrogatory responses, including those relating to the issues of Stranded Meters and Smart Meters, shall be filed on or before Thursday, November 23, 2017 (not on November 15, 2017, as originally scheduled in Procedural Order No.1)
- A settlement conference between Whitby Hydro and OEB staff will be convened at the OEB's offices on November 29, 2017 (not on November 21, 2017, as originally scheduled in Procedural Order No.1)
- Any settlement proposal arising out of the settlement conference shall be filed with the OEB by December 13, 2017 (not on December 4, 2017, as originally scheduled in Procedural Order No.1)

The remainder of Procedural Order. 1 is unchanged (i.e. all other procedural steps shall still be followed). The OEB may establish further procedural steps after any settlement proposal is received.

Yours truly,
