**December 7, 2017**

**ORDER**

Alectra Utilities Corporation (Alectra) filed an application on October 24, 2017, under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) for a licence amendment to amend Schedule 1 of its electricity distribution licence ED-2016-0360.

The application is considered without holding a hearing pursuant to section 6(4) of the OEB Act.

The applicant has requested to include the land owned by Multi-Area Developments Inc., described as Summit Park Phase 10, located in the City of Hamilton, designated as Lot 1; Lot 2 Part of Plan 62R-16733, which includes blocks 166,165,164,163,162,161, 160, 151,152,153; Lot 2 Block 162, and part 12 of plan 62R-16733, Part 1 and Part 2 of 62R-19862; Lot 3 Block 162 - Concession 1 of the geographic Township of Binbrook. The land is currently located within the licensed service area of Hydro One Networks Inc. (Hydro One). Hydro One has confirmed its support of the application through a consent letter.

No assets will be stranded and no negative impact on rates, reliability or service quality of Alectra or Hydro One has been identified as a result of the proposed amendment.

The OEB finds that it is in the public interest to grant the requested service area amendment.

**IT IS ORDERED THAT:**

1. Alectra Utilities Corporation's electricity distribution licence ED-2016-0360 is amended. The amended licence is attached to this Order.

**DATED** at Toronto December 7, 2017
