Dear Ms. Walli,

**RE: Whitby Hydro Electric Corporation – 2018 Rate Applications
(EB- 2017-0085/EB-2017-0292) – Settlement Proposal Extension Request**

In accordance with Procedural Order No. 1 and the amended dates outlined in the OEB letter issued November 17, 2017, Whitby Hydro Electric Corporation and OEB Staff (the "Parties") participated in a settlement conference which took place on November 29, 2017 and continued over the following few days with various teleconferences and correspondence. The Procedural Order's amended dates indicate that any settlement proposal arising out of the settlement conference shall be filed with the OEB by December 13, 2017.

The Parties have continued to work diligently on completing a potential settlement proposal and agree that additional time would be of assistance in this respect. In light of this, the Parties request an extension for the filing of any settlement proposal until December 15, 2017.

Regards,
