Dear Ms. Birceanu:

**Re: Guelph Hydro Electric Systems Inc.
Application for Rates
OEB File Number EB-2017-0044**

The OEB issued a Draft Tariff of Rates and Charges in the above-noted proceeding on December 14, 2017. On December 15, 2017 Guelph Hydro contacted OEB staff and noted that the Tariff of Rates and Charges issued on December 14, 2017 required a correction.

The correction relates to the rate description of the rate rider for capacity based recovery. The rate description now reads:

Rate Rider for Disposition of Capacity Based Recovery Account (2018) -
effective until December 31, 2018 Applicable only for Class B Customers

The Order, as originally issued, stated:

Rate Rider for Disposition of Capacity Based Recovery Account (2018) -
effective until January 01, 2018 Applicable only for Class B Customers

The OEB has issued a final Tariff of Rates and Charges at this time.

Yours truly,

Original signed by

Kirsten Walli
Board Secretary
