Ms. Kirsten Walli, Board Secretary

Dear Ms Walli:

**Re: Kingston Hydro Corporation Electricity Distribution Licence No. ED-2003-0057
2018 Electricity Distribution Rate Application (EB-2017-0055) _Draft Decision
and Rate Order Comment Submission**

On December 14, 2017, the Ontario Energy Board issued its Draft Decision and Rate Order in the above noted proceeding. Kingston Hydro Corporation has reviewed the Decision and Rate Order for accuracy and completeness and has the following comments to offer:

1. The 2018 Tariff of Rates and Charges, Schedule A to the Draft Decision and Rate Order is complete and accurate, however,
2. Kingston believes that in the Draft Decision:
 - a. page 6, second last paragraph under Section 4. Base Rate Adjustments, the amount of the increase to the fixed charge should read \$3.34 rather than \$2.69, and,
 - b. page 8, under Section 6. Low Voltage Charges, the projected 2018 retail transmission-connection rate revenue should read \$3,799,686, per IRR Update, appendix E submitted 2017-12-08, and,
 - c. in the document header under the EB number, the applicant name should read Kingston Hydro Corporation.

Yours truly,

A handwritten signature in black ink, appearing to read "S. Gibson".
