Subj: EB-2016-0380 PROCEDURAL ORDER NO. 3

Dear Sir/Madam,

We need an extension of 2 weeks for producing all the required documentation as per the Procedural Order 3 for the following reasons:

1. Ensqr Corp has provided instructions to all the past applicants at St. Dennis to reapply for the OESP credit and the residents have started applying for the credit again.
2. We have received new applications which was processed by our system and we are waiting for the feedback
3. The OESP processing has now more applicants for whom we are awaiting the response for the amount of OESP credit.
4. We expect the Credit amount to be communicated back to us and at which point we will provide the required data

Thanks

Yours sincerely,
