Attention: Kirsten Walli,  
Board Secretary

Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc., 2018 Cap and Trade Compliance Plan  
Board File No. EB-2017-0224**

---

The Building Owners and Managers Association, Greater Toronto ("BOMA") seeks intervenor status and cost award eligibility in the above noted proceeding.

BOMA represents over 800 Ontario Property and Facility Owners, Managers, Developers, Leasing Agents, and Commercial Real Estate Professionals. Its members account for 80 per cent of all commercial and industrial real estate companies in the Greater Toronto Area and many others throughout Ontario. BOMA's members are large consumers of energy.

Over the years, BOMA has been active in protecting and advancing the interests of its members on such important policy issues as energy pricing and supply, property taxes, labour requirements, building materials and equipment regulations. BOMA continues to work at all levels of government providing a voice for Commercial Property owners in the Greater Toronto Area and throughout Ontario.

BOMA has been a major and constructive participant in numerous previous cases, including Enbridge Gas Distribution Inc.'s ("EGD") 2017 Cap and Trade compliance filing. As a representative of a large sector of energy consumers in the Greater Toronto Area and throughout Ontario, the commercial and industrial building owners and generators, BOMA seeks a cost

award in this proceeding. Because of its constituency, it has a keen interest in the impact of the utilities' cap and trade initiatives on its members.

BOMA requests that further communications with respect to this matter be sent to the following parties:

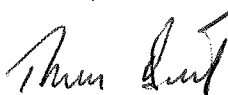

<p>Thomas Brett, Partner Fogler, Rubinoff LLP 77 King Street West Suite 3000 Toronto, Ontario M5K 1G8 Tel: (416) 941-8861 <a href="mailto:tbrett@foglers.com">tbrett@foglers.com</a></p>	<p>Marion Fraser, President Fraser &amp; Company 65 Harbour Square Suite 1005 Toronto, Ontario M5J 2L4 Tel: (416) 941-9729 <a href="mailto:marion.fraser@rogers.com">marion.fraser@rogers.com</a></p>
--	---

BOMA prefers an oral hearing, given the importance of this case, the fact that the 2017 proceeding included a hearing, and the fact that the 2018 case will be more substantive than the 2017 case, which, because of the prevailing uncertainties, included only skeletal evidence.

BOMA respectfully requests your acceptance of this intervention and confirmation that it will be eligible for costs.

Yours truly,

**FOGLER, RUBINOFF LLP**
