**Re: 2015 DSM Results Reports (EB-2015-0245)**

The Ontario Energy Board (OEB) released the 2015 Natural Gas Demand Side Management (DSM) Annual Verification Report on October 16, 2017 (2015 Verification Report). The 2015 Verification Report was completed by DNV GL, the OEB's DSM Evaluation Contractor.

In December 2017, errors were identified that affect the 2015 DSM shareholder incentive (DSMSI) amounts for Enbridge Gas Distribution Inc. (Enbridge Gas) and the lost revenue adjustment mechanism (LRAM) amounts for Enbridge Gas and Union Gas Limited (Union Gas). The errors include the application of an incorrect set of verification values by the consultant and a mathematical formula error.

Correction of the errors has the following impact:

Result	Previous Value	Corrected Value	Difference	Difference (%)
Enbridge Gas DSMSI	\$6,489,467	\$6,207,339	(\$282,128.34)	-4.3%
Enbridge Gas LRAM	\$16,155	\$16,405	\$ 250.00	1.5%
Union Gas LRAM	\$151,791	\$154,368	\$2,577.00	1.7%

There is no change to the DSMSI amount for Union Gas.

The corrected 2015 Verification Report has been posted on the OEB website.

Questions about the 2015 Verification Report should be directed to Valerie Bennett at [valerie.bennett@oeb.ca](mailto:valerie.bennett@oeb.ca) or 416-440-7747.

Yours truly,
