Dear Ms. Walli:

**Re: OM Limited Partnership (OMLP) Certificate of Public Convenience and Necessity  
Application Ontario Energy Board File Number: EB-2017-0289**

Thank you for your letter dated November 27<sup>th</sup>, 2017. We are writing to confirm that the Limited Partnership agreement has been fully executed by both Maricann Group Inc. and On-Energy Corp. There have been no changes to our application except dates in our project timeline that have been moved forward. The proposed Tie-in System construction of works to supply gas to the Maricann Langton Facility is scheduled to commence in February and be completed in March 2018. Phase 1, of the Maricann Langton facility is scheduled to begin operations on April 1<sup>st</sup>, 2018. Phase 2 of the facility is scheduled to become operational in June or July of 2018. We respectfully request that the OEB resume processing our application.

Yours very truly,

Jane Lowrie
