**Re: InnPower Application for Rates
Ontario Energy Board File Number: EB-2016-0085**

This letter responds to the December 29, 2017 request of Rogers Communications Canada Inc. (Rogers) for the Ontario Energy Board (OEB) to provide for supplemental interrogatories. In its correspondence, Rogers expresses the view that further information would be beneficial to discussions at the upcoming settlement conference scheduled for January 8-9, 2018.

As noted by OEB staff in its December 29, 2017 email to parties, it is not uncommon for parties to circulate clarification questions ahead of settlement conferences. In other cases, there has been a practice to discuss some clarification questions at the start of settlement conferences.

If Rogers, or any other intervenor or OEB staff, requires clarification of the evidence in order to participate in the settlement conference, that party should direct its questions to InnPower and copy the other intervenors and OEB staff. Parties who have any clarification questions should provide them to InnPower as soon as possible. This may assist InnPower in providing answers to these clarification questions at the start of the settlement conference. InnPower indicated that it will endeavor to answer relevant clarification questions provided in advance.

Clarification questions sent to InnPower should not be filed on the record with the OEB's Board Secretary at this time, as they are considered part of the settlement conference. During the settlement conference, parties may wish to discuss whether information

arising from any clarification questions posed and associated answers should be filed on the record.

The OEB also notes that the procedural dates in the Decision and Procedural Order No. 7, as issued on November 10, 2017, remain unchanged and the settlement conference will proceed as scheduled on January 8-9, 2018.

Please direct any questions relating to this application to the Case Manager, Fiona O'Connell at fiona.oconnell@oeb.ca and OEB Counsel, Ljuba Djurdjevic at ljuba.djurdjevic@oeb.ca.

Yours truly,
