**Re: Cooperative Hydro Embrun Inc. (Cooperative Hydro Embrun)  
2018 Cost of Service Rate Application**

The OEB is in receipt of Cooperative Hydro Embrun's settlement proposal, filed on December 22, 2017.

In Procedural Order Nos. 1, 2 and 3, the OEB included a tentative settlement proposal Presentation Day in the process for this proceeding. Procedural Orders Nos. 2 and 3 set the tentative date as January 12, 2018. The OEB has reviewed the settlement proposal filed by Cooperative Hydro Embrun and has decided to hold the Presentation Day.

The Presentation Day will be held via video-teleconference.

The presentation is intended to summarize and provide any salient information for the OEB's consideration in reviewing the settlement proposal. The purpose of the presentation is not to provide an opportunity for cross-examination by the parties, but rather for Cooperative Hydro Embrun to present the settlement of issues in the case. It is the OEB's expectation that a Cooperative Hydro Embrun senior executive will be present to explain the merits of the settlement proposal.

Yours truly,
