Re: Hydro One Remote Communities Inc. ("HORCI")  
Application for electricity rates and proposed revenue requirement effective May 1, 2018  
File number EB-2017-0051

We are respectfully requesting an extension to file written interrogatories with the OEB with respect to EB-2017-0051 and Procedural Orders 1 & 2. On January 11, 2018, there is a meeting of the 22 First Nations Chiefs whose communities are owners in Opiikapawiin Services. As mentioned in our last letter, many of these communities are served by HORCI, or in the process of transferring local distribution service to HORCI. This meeting provides a unique opportunity for Opiikapawiin to share information with the Chiefs and receive direction on the proceeding. In addition, we note that most First Nation band offices are closed until January 8 2018. As such we request January 16, 2018 as the new date for filling written interrogatories.

If there are any questions please do not hesitate to contact me.

Yours, very truly
