Dear Mr. Kehoe:

**Re: Extension of time for filing a revised cost claim
Ontario Energy Board File Number: EB-2016-0276**

On January 9, 2018, the Ontario Energy Board (OEB) issued a Decision and Order on Cost Awards (Phase 1) requiring you to file a revised cost claim by January 24, 2018.

In an email dated January 12, 2018, you have requested an extension of time for the filing of a revised cost claim.

The OEB has considered your extension request and extends the timeline for the filing of a revised cost claim to **February 28, 2018**.

The OEB has also revised the timeline for the filing of any objections to the revised cost claim by the applicants to **March 7, 2018**.

If you have any response to any objections for costs claimed, this must be filed by **March 14, 2018**.

As a reminder, all filings must be made to the OEB and copied to the applicants.

Yours truly,
