

Ontario Energy Board

**IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O. 1998, c. 15, Sch. B, as amended;**

**AND IN THE MATTER OF Westario Power Inc.'s 2018
Cost of Service Application**

Notice of Intervention

of

ENERGY PROBE RESEARCH FOUNDATION ("ENERGY PROBE")

Energy Probe Research Foundation (Energy Probe) applies for intervenor status in this proceeding.

Statement of Interest

Energy Probe is a non-profit environmental and consumer organization, which promotes economic efficiency in the use of resources. Energy Probe will be representing its residential customer supporters, which we have some number of thousands, and also representing a broader concern with respect to the overall financial health and operational integrity of our electric utilities. Energy Probe will be intervening on issues which the Foundation believes to be in the residential ratepayer interest. Energy Probe was an intervenor in Westario's previous application before the Board.

Intervention

Energy Probe intends to appear and participate in the hearing. Energy Probe expects to be a full-time intervenor. Energy Probe will be assisted by experts.

Costs

Energy Probe is a non-profit organization which relies on individual donations to help protect the public interest. Without the prospect of an award of costs, Energy Probe's ability to participate in proceedings would be very limited. Energy Probe intends to seek a cost award in this proceeding, and expects to intervene responsibly, cognizant of the Board's guidelines regarding cost awards.

Communications

Communications relating to this Notice of Intervention, including but not limited to all documents filed with the Board by Westario Power Inc., are required by Energy Probe and should be directed to:
